Merimbula was the venue for the National Meeting in October 2012. Over 30 cars and owners made the trip and made it a memorable event for Isuzu owners.

The report on this event that was sponsored by Isuzu Ute is below. It was a great weekend and Monica and Gary Smith put in a major effort to ensure it all went well. There were many, many highlights and this article captures some of these activities as published in max*d Issue 10.

The events ran over 3 days for those who had the endurance. It has been a long time since we held a meeting in Merimbula and a lot had changed but it was as friendly as ever.
